Enroll for 2015 Acelity Benefits October 14 – November 3

As a reminder, all employees will see the lower Wellness rates during the 2015 Open Enrollment period. If you did not complete the two required steps to get the 2015 Wellness rates, the lower Wellness rates will be removed in 2015.

Be on the lookout for your 2015 Benefits Enrollment Guide — arriving in your mailbox soon. It contains details about the benefits available to you and when the lower rates will be removed.

This is the one time of year, without experiencing a Qualifying Life Event (ex: marriage, divorce, birth of a child), where you can make changes to your benefits. Don't wait until the last minute to make your changes to your 2015 benefits!

Enrolling is easy — starting October 14, visit **Workday** at www.myworkday.com/kci to get started. **Workday** can be accessed from any computer or Internet connection.
