YOUR **WEALTH** PLAN

IT'S WHAT YOU MAKE OF IT

Don't miss your opportunity to receive an immediate lump-sum pension payment.

YOU HAVE PENSION MONEY AVAILABLE TO YOU NOW.

You recently received an Allegheny Technologies Incorporated pension plan election package, which explained your limited-time opportunity to receive a payment from the pension plan.

This special opportunity gives you access to your pension money now instead of waiting until you are eligible at a later date.

By taking advantage of this offer, you'll have:

- **More control** over your pension money.
- **More choices** for your overall retirement planning strategy.
- **A more complete picture** of your total retirement assets.

Follow the instructions in your election package to receive your immediate lump-sum payment, or contact the ATI Pension Service Center for personalized assistance. Call 800-498-4242 between 9:00 a.m. and 6:00 p.m. Eastern Time, Monday through Friday, to speak with a service representative.

Your completed and required forms must be returned postmarked no later than November 14, 2014. If you have already sent in your paperwork, please disregard this reminder.
